**SUPPLEMENTARY INFORMATION:** On December 17, 2002, the FAA published a Notice of Proposed Rulemaking (NPRM) concerning "Area Navigation (RNAV) and Miscellaneous Amendments" (67 FR 77326). The comment period closed on July 7, 2003. Some commenters requested that the FAA work with the Terminal Area Operations Aviation Rulemaking Committee (TAOARC) to respond to the questions and comments to the NPRM raised by industry. This committee was established under 49 U.S.C. 106(p)(5) to provide a forum for the FAA, other government entities, and affected members of the aviation community to discuss issues and to develop resolutions and processes to facilitate the evolution of safe and efficient terminal area operations. The FAA agreed with the commenters that it would be helpful to seek the advice of TAOARC and asked TAOARC to review the public comments on the RNAV NPRM and prepare a recommendation on how the FAA should address them. TAOARC's involvement was limited to reviewing the issues raised by the commenters and not to raise new issues.

The purpose of this meeting is to share TAOARC's draft disposition of comments with the general public and to solicit public comment on the draft disposition before it is presented to the FAA as a formal recommendation.

The agenda for the meeting includes:

- Review of the RNAV NPRM history.
- Review the comments received on the NPRM and the proposed dispositions to those comments.
- Respond to questions and conduct open discussion of identified issues.

Attendance is open to the interested public but may be limited to space available.

To make arrangements to present oral statements at the meeting, contact Dr. Kathy Abbott (see "FOR FURTHER INFORMATION CONTACT") by December 5, 2003.

Sign or oral interpretation or an assistive listening device will be available at the meeting if requested 10 calendar days before the meeting. If you need to make arrangements for these services, contact Heather McLaughlin (see "FOR FURTHER INFORMATION CONTACT").

Issued in Washington, DC, on November 18, 2003.

Ida Klepper,  
Acting Director, Office of Rulemaking.
